

AFHA Accessibility Statement

1. Introduction and Commitment

Americans for Healthcare Alternatives is committed to ensuring digital accessibility for all people, including those with disabilities. We continually work to improve the user experience for everyone and apply the relevant accessibility standards, including WCAG 2.1 Level AA guidelines.

2. Accessibility Goals

Our goal is to provide a website that is fully accessible and usable for the broadest audience possible. We regularly review our website using accessibility evaluation tools and conduct manual testing.

3. Known Limitations

While we strive to ensure all areas of the site are fully accessible, some older content or third-party tools may not meet current accessibility standards. We are working to resolve these issues.

4. Contact Information for Assistance

If you encounter any accessibility issues or need assistance using our site, please contact us:

Email: info@afha.health

5. Feedback Invitation

We welcome your feedback on the accessibility of our website. Please let us know if you encounter any barriers to access.

6. Regular Review Statement

We regularly review and update our website to address accessibility issues and improve usability for all users.
